 Directions:

**Don't Miss
Sundays
MOTA regular
season Event
Here!**

To compete in the twin-shock class, the motorcycle must have the following to qualify: Twin shocks, air-cooled, drum brakes, and cable clutch.

To help support the continuing of our twin-shock events, non twin-shock bikes or "modern" bikes are encouraged to ride the twin-shock event! (Entry requirements and fees apply). Scoring for modern bike riders will be separate from the twin-shock riders.

There will be an "A" and "B" line. Section difficulty level will be comparable to Novice for the B line and Intermediate/Sportsman for the A line. This is a non MOTA points paying event.

Camping is allowed and port-O-lets on-site. Trophies will be awarded for top finishers in each twin-shock class.

Information: 810-441-5111 or 248-969-2418
